	\$0.00 upfront	

< BACK . . . NEXT >

Next > takes you to this screen to choose the pre-conference offering(s) that you would like to register for. You must attend the entire class session. If the sessions don't coincide, then you may choose to attend two different offerings. For example, you can sign up for the Project Learning Tree offering and the Tread Trainer offering because they are on different days. If you sign up for the Certified Angler offering, you should not sign up for any other offering because it runs multiple days. **Note:** The Master Tread Trainer course is a two-part registration process. You must register here to cover the required conference fees and then you will be directed to register for the actual course on the Tread Lightly! website. You must register on the Tread Lightly! site to be registered in the course.
